## **BANKING & FINANCE | Public consultation: CESR technical advice to the European Commission in the context of MIFID review**

Last April 13<sup>th</sup>, two technical advice memorandums of the Committee of European Securities Regulators (“CESR”) on a potential MIFID review in the context of Investor Protection and Intermediaries and Equity Markets have been submitted to public consultation. CESR will provide the aforementioned technical advice memorandums to the European Commission, so that the latter may report to the European Parliament and Council on possible changes to the MIFID. The public consultations shall close on May 31<sup>st</sup>.

The technical advice memorandums under public consultation as well as the main topics addressed therein, may be consulted at:
