

Inês Perestrello

Managing Associate Infrastructure & Mobility

(+351) 21 311 3400

mip@vda.pt

Inês Perestrello joined VdA in 2007. She is Managing Associate at the Infrastructure & Mobility practice.

Her professional activity is mainly focused in the development of large infrastructure projects in strategic sectors, with emphasis in road infrastructures, transport and mobility, particularly in project finance and PPP.

Currently she is focused in the development of urban mobility projects in which she has actively worked on several operations, in Portugal and abroad. In such capacity, Inês provides a full scope service to leading clients throughout the life of their projects: tender phase, contractual structuring, negotiation and financial closing, follow-up of the construction and exploration phases, financial rebalancing and arbitrations, and general follow-up legal advice to concessionaire companies including in regulatory/compliance issues.
