Carlos Couto joined VdA in 2011. He is a Managing Associate in the Banking & Finance practice, where he works on transactions related to securities, the banking sector and insurance industry. He provides ongoing support to several Portuguese asset management companies in regulatory and legal issues, as well as in transactions involving the acquisition and sale of assets under management or the disposal of the respective shareholdings.

In recent years, he has been actively involved with the insurance industry, monitoring the regulatory issues faced by the main national and international insurance companies and providing advice on contract law and insurance mediation.

Additionally, he advises common representatives of bondholders and trustees on regulatory and contractual matters relating to banking entities, aviation finance and cross-border factoring transactions; and insurers and insurance intermediaries on regulatory matters, as well as issues relating to pension funds and pension fund management companies.
