Saturday 20 October - Lausanne & surroundings (including lunch)

Meeting place: Foyer of InterContinental Geneva

10.00 - Excursion to Lausanne (+/- 1-hour drive) including panoramic Lausanne tour and Olympic museum

During the **city tour**, you will discover the second-largest city on Lake Geneva (Leman Lake in other words), which combines a dynamic commercial town with the locality of a holiday resort.

The setting of Lausanne is extremely picturesque: it is hardly surprising that the **International Olympic Committee has been based here since 1914**. The town is built on three hills, surrounded by vineyard-covered slopes, with Lake Geneva at its feet. Rising impressively from the opposing French lakeshore are the Savoy Alps. The attractive old town is largely car-free. Small alleyways with cafes and boutiques shape the streetscape in the **medieval city centre**.

The old town is dominated by the cathedral, which is regarded as Switzerland's most impressive piece of early **Gothic architecture**. Lausanne was a diocesan town for over a thousand years. Shopping streets can be found surrounding **the cathedral** as well as in the pretty **waterfront area of Ouchy**. Switzerland's only «metro» connects the various parts of the town and eases travel in this incline-based town.

Also worthy of a visit are the parks, containing many Mediterranean plant species, and grand palace hotels like the **Beau-Rivage Palace** in Ouchy and the **Hotel de l'Angleterre**, were **Lord Byron once stayed**.

The «Olympic capital» is home to the Olympic Committee and also the **Olympic Museum**, the world's largest information centre about the Olympic games.

Price - 180 CHF/person (Booking on-site is possible up until 24 hours before)

12.30 - Lunch

14.00 - 16.00 Visit of the Olympic Museum Ouchy

16.00 - 17.00 Free time in Lausanne

17.00 - Return to InterContinental Geneva

Dietary requirements:

For persons who have informed in advance of their dietary requirements, kindly show the waiter your dietary card provided during registration.
