

CONFERENCE | 23 OCTOBER 2019, 9AM – 6 PM

# FRAUD AND ASSET RECOVERY

# FRAUDE E RECUPERAÇÃO DE ATIVOS

With seamless global transfers of funds, fraudsters can instantaneously steal and hide liquid assets inside financial institutions across the globe. Time is of the essence when recovering assets. Using sophisticated investigation and forensic tools and cutting-edge civil procedures, FraudNet members have recovered billions of dollars for victims of some of the world's largest and most sophisticated global frauds involving insurance, commodities, banking, grand corruption and bankruptcy/insolvency.

FraudNet is an international network of independent lawyers, initiated by the ICC because fraud and corruption are pervasive, complicated and invariably cross national boundaries. These expert lawyers are the leading civil asset recovery specialists in each country. Using sophisticated investigation and forensic tools and cutting-edge civil procedures, FraudNet members have recovered billions of dollars for victims of some of the world's largest and most sophisticated global frauds involving insurance, commodities, banking, grand corruption and bankruptcy/insolvency. Our members regularly act for government agencies and regulators in obtaining domestic and international recoveries for fraud victims.

Join us at this conference in Lisbon gathering national and international experts in a unique space for debate and networking. Discussions will cover a wide range of topics from scams, potential exposure of financial institutions, as well as the tracking of the assets involved. The initiative will be a unique opportunity to review current fraud trends and to raise
