

Annals of Air and Space Law Volume XL

This edition of the Annals of Air and Space Law marks the 40th volume of the world's only bilingual journal specialised in the study of air and space law. This celebratory volume is dedicated to the life and contributions of the Director of the Institute of Air and Space Law and the Centre for Research in Air and Space Law, [Professor Paul S Dempsey](#). The [Preface contains a description](#) of the intellectually stimulating and fascinating issues that are dealt with in this volume of the Annals.

Articles can be ordered individually with the following document: [Annals article order form](#).

The electronic version of the volume is available [for purchase through the McGill Bookstore](#).

The physical copies will be available shortly.
